

Jill visits her granny. They look in an old box. There is a skipping rope in the box.

"You can have it, Jill," said Granny. "It was mine when I was a girl."

Jill is glad. The rope is pink and green. It has wood at the end to hold on to. "Come see my new rope!" said Jill to Lucy.

"We can skip and jump," said Lucy.

The girls use the rope with Sam. They take turns to skip and jump.
